

Southport Waterloo A C

The role of the Junior Athlete Coach

Junior Athlete Coaches will be level 2 or higher.

They will be responsible to the Coaching Secretary for the safe delivery of coaching and will comply with the requirements of the Club Committee.

A Junior Athlete Coach will:

- Take responsibility for coaching sessions at a particular venue, agreed with the Coaching Secretary
- Wherever possible, coach sessions in the discipline in which the coach is trained and hold a qualification
- Prepare all coaching sessions in advance
- Work with Assistant Coaches where available in the delivery of sessions
- Ensure all health and safety requirements are met
- Comply with the Club's code of conduct for coaches, team managers and other volunteers
- Ensure junior members comply with the obligations the club places on them
- Ensure the club's equity policy is complied with in training sessions
- Assist in the production of risk assessments as necessary for the safe delivery of coaching sessions
- Give feedback to athletes as appropriate
- Assist team managers in the selection of teams
- Let the Coaching Secretary know if they cannot attend any training or coaching sessions
