Dear Members,

We hope that each of you are well and have not suffered during this time through your finances, health or well being.

The purpose of my correspondence to you today is to write on behalf of your Southport Waterloo committee to address a couple of matters.

In light of the current pandemic that our country is facing and the limits that have been imposed upon us with regard to social distancing guidelines and limited attendees to gatherings; this Committee is therefore unable to full-fill the Constitutional requirement to hold an AGM in 2020.

It is the Committee's request to ask you our members to accept that this situation is an unprecedented scenario and that your committee will remain in post until such time that an emergency AGM can be called or that the 2021 AGM is held.

Your Committee is dedicated to upholding their positions till such meetings are called. Anyone wishing to be co-opted can request the Committee to do so as there are posts vacant.

The club membership fees will remain the same in 2021-22 as long as England Athletics do not increase their levy on memberships as your Committee has no intentions of making any such adjustments due to the circumstances that have been upon us this year.

Any objections to such proposals such be sent to myself the Hon. General Secretary by the 30th November 2020 to swacsecretary@hotmail.co.uk or in writing to 10 Holden Grove, Brighton-le-Sands, Liverpool, L22 6QJ.

In the meantime we all wish you well and hope that in 2021 we can get together in happier times.

Kind regards
Christopher Henders
Hon. General Secretary
